THE FAMILY OF ARCHITECTURAL PENDANT LED LIGHTS OPERATING AT 27W 220AC INPUT DELIVERING OUTSTANDING PERFORMANCE OF 1620LM.

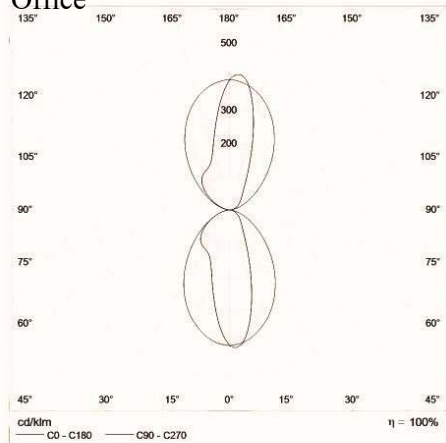

Technical description

Luminaire was designed to be used as a decorative up and down pendant LED light to illuminate for home and hotel areas with a set of luxury atmosphere. Body material is the raw brass without any extra coating with adjustable dimension by order. Opaque PMMA optic lens with very uniform and antiglare distribution. The sleek and classic design of this free stand lamp is complemented by its advanced functionality. In addition, you can change the color temperature of the light from a calming warm white to an invigorating day light /neutral tone. The lamp contains no tungsten, mercury, or other toxic materials or fragile glass parts. Its unique design makes for a great conversation piece while enhancing any kind of traditional, urban, contemporary, or minimalist decor. Available in oxidized gold, nickel or copper with a high glass, matte or brushed finish.
