THE FAMILY OF ARCHITECTURAL LED STAND LIGHTS OPERATING AT 20W 220AC INPUT DELIVERING OUTSTANDING PERFORMANCE OF 1600LM.

## Technical description

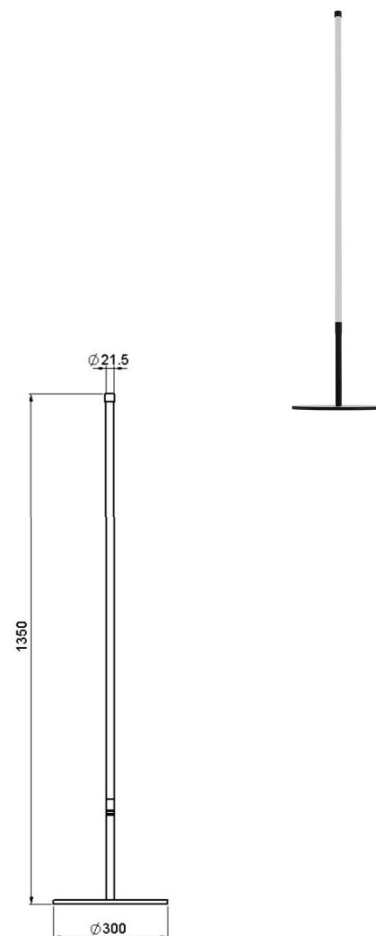

Luminaire was designed to be used as a decorative stand light to illuminate an area where a luxury atmosphere is desired. The body material is a silicon pipe with a heavy iron plate as a base. The sleek and classic design of this stand light is complemented by its advanced functionality. In addition, you can change the color temperature of the light from a calming warm white to an invigorating day light/neutral tone. Its unique design makes for a great conversation piece while enhancing any kind of traditional, urban, contemporary, or minimalist decor.
